Welcome to St. Edmund's Elementary School

St. Edmund's School is the oldest Catholic School on the North Shore, having opened in 1911. At St. Edmund's Elementary, we want to ensure that your child's school experience is a happy one. We will be diligent in creating a Christ-centred environment that stimulates personal development, stresses academic achievement, and offers students a well-rounded extra-curricular program.

Our school provides instruction in the following areas: Language Arts, Mathematics, Science, Social Studies, French, Technology, Library Skills, Physical Education, and Religion. The government-mandated Heath and Personal Planning Course is integrated into our religion program, so those outcomes are taught from a Catholic perspective. Our Fine Arts program includes Music, Art, and (at the intermediate level) Drama.

As mentioned earlier, a well-rounded extra-curricular program is a crucial element in a balanced education. At St. Edmund's, the extra-curricular program focuses on Fine Arts and Athletics. In the area of Fine Arts, students have the opportunity to join the school choir, speech arts, or the after school art club. The school choir is curricular for Grades 1 and 2, and extra-curricular for grades 3 to 7.

However, our central focus as a Catholic School St. Edmund's Elementary shares in the mission of the church to proclaim and build the Kingdom of God. As a faith community, we are committed to excellence in Catholicity and in all areas that promote the development of the whole child to his or her full potential. Our focus is to develop Christian leaders, responsible citizens, and life-long learners.

Our school is located in North Vancouver, down lower Lonsdale and close to the water. It is a small, intimate, multicultural community where everyone knows everyone. At St Edmund's we are fortunate to have students from many varied backgrounds. We appreciate the contribution International Students can bring to our school. Thank-you for considering St. Edmund's Elementary School for your child's education.
