Dear Grade 1 Parents,

Each year your child is at St. Edmund's Elementary, they will participate in certain activities. These activities sometimes involve the entire school (skating, Fine Arts performance, Gym Sense) and other times involve one particular class. In order to make processing of payment easier for parents and the school, all the activity costs will be collected at one time. This payment form includes all the activities we have planned for this school year. If an opportunity does come up later in the year that would be educationally valuable for students, a separate payment form may need to be sent home.

As the date of the event approaches, there will be a permission form sent home for parents to give their consent. Please sign the permission form and return it as soon as possible, as this form is necessary for your child to participate.

The activities planned are used to meet certain curricular outcomes, and are therefore important educational experiences for your child. These outings have been carefully selected for their learning merit and value. Therefore, payment for all these activities is considered mandatory. If you have any questions, please feel free to phone the school.

This year, the fee for each grade's Parent's Association Event has been added to the activity form. This fee has remained \$10 – the only difference is it is now collected with the other fees.

Respectfully,

Michael Field
Principal
